

ROAR STREET JOURNAL

Welcome To Roar Street Journal

Our new intern is coming to work today.

I'm excited!

Where should we
set the table?

Let's set it in
front of Douglas.

Foxy never had a table though. He's just everywhere!

It's better for the intern to have a work station.

Hey everyone, thanks for your opinion
on hiring our new internship!

Let's all give a
warm welcome later!

3 days ago

Who should we hire?
I like all 3 of them!

Can't we just hire
everybody?

TAP
TAP

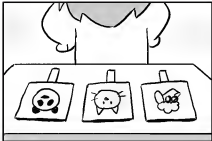

We are running a company,
not a party.

Or a school.
You are too nice Leo

Yes, I think one is enough
to help with my work!

Well, let's have a vote then.

I like his honest attitude, it's great to learn more about other countries too!

I choose Angora.

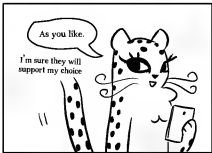

She is the most capable one, obviously.

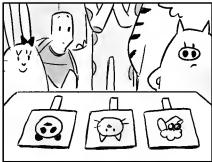

I don't know...

Shirley is very friendly,
but I think Angora will do the job best.

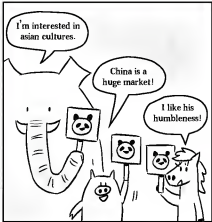

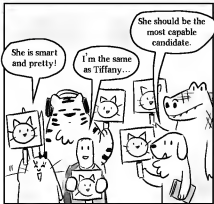

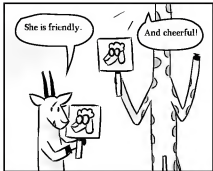

I'm interested in
asian cultures.

China is a
huge market!

I like his
humbleness!

4 votes for Peng,
2.5 votes for Shirley,
6.5 votes for Angora.

We have arrived
our conclusion.

see, I told you

Peng IIII

Shirley II.

Angora IIII I.

Okay, it is Angora then!

RSJ is a very democratic company.
I respect everyone's opinion!

All set up!

Angora should arrive soon. let's
welcome her at the reception.

Congratulations.
